

# Are Server Maintenance Costs Out of Control.....?

*"Better Service & Reduced Cost on Server/Mid-Range & Mainframe Hardware"*

**AE Business Solutions and Service Express Inc . Webinar  
February 24, 2010 11:30-12:30 CST**

Join **AE Business Solutions & Service Express** to hear a complimentary and timely webinar on increasing your service levels while reducing costs on hardware maintenance. Many companies are struggling with their IT budgets and how to reduce costs without sacrificing service quality. More and more companies are moving away from OEM maintenance and partnering with third party providers that provide more service flexibility, quicker response and service plans that fit their needs.
